

The 32th International Conference of The Jangjeon Mathematical Society (ICJMS2019)

July 17-21, 2019

Far Eastern Federal University (FEFU, Russia)
Jangjeon Mathematical Society (JMS)
supported by the Open Access Journal — SYMMETRY-
BASEL

Dear Professor,

It's a great pleasure for us to invite you to participate to The 32nd Conference of the Jangjeon Mathematical Society (ICJMS2019), which will be held at Far Eastern Federal University, Vladivostok, Russia in July 17-21, 2019.

ICJMS2019 is an international meeting for fundamental sciences from all over the world working in Fundamental and Applied Sciences to present their researches, to exchange new ideas, to discuss challenging issues, to foster future collaborations and to interact with each other. Exclusive organizing committee and scientific committee of this conference are to ensure that the meeting has high academic standards.

We would like to take this opportunity to invite all researchers and accompanying persons to attend this conference and to enjoy the rich scientific program and the beauty of Vladivostok, Russian Far East.

Expanded abstract booklet will be numbered ISBN during the conference period.

Selected papers will be published in the Journals of the Jangjeon Mathematical Society and in the special issue of the Journal "Symmetry-Basel" for our conference:
[Symmetry: The 32th Congress Jangjeon Mathematical Society](#)

Organizing Committee

Velichko S. Andrey - Prof. Dr., Head of the Department of Mathematical Methods in Economics of the Far Eastern Federal University (Russia);

Dolgy V. Dmitriy - Prof. Dr., Far Eastern Federal University (Russia) & Kwangwoon University (Korea).

Topics of Conference

This conference welcomes speakers whose talk contents are mainly related to the following two subjects:

- 1) Pure and Computational and Applied Mathematics & Statistics;
- 2) Mathematical Physics (related to p-adic Analysis, Umbral Algebra and Their Applications).

Special Sessions

- Analysis
- Algebra
- Clifford Algebras and Applications
- Real and Complex Functions
- Orthogonal Polynomials
- Special numbers and Functions
- Fractional Calculus and q-theory
- Number theory and Combinatorics
- Approximation Theory and Optimization
- Integral Transformations, Equations and Operational Calculus
- Partial Differential Equations
- Geometry and Its Applications
- Numerical Methods and Algorithms
- Probability and Statistics and Their Applications
- Scientific Computation
- Mathematical Methods in Physics and in Engineering

Key dates

- May 15, 2019 – Registration deadline
- May 31, 2019 – Abstract submission deadline
- July 17-19, 2019 – Conference working
- July 20, 2019 – Excursion
- July 21, 2019 – Conference closing

International Organizing Committee

Anisimov Nikita - Prof. Dr., President,
Far Eastern Federal University.

Chandrashekara Adiga - Prof. Dr.

Abdelmejid Bayad - Prof. Dr.

Lee Chae Jang - Prof. Dr.,
Kunkook University.

Dae San Kim - Prof. Dr.,
Sogang University.

Dolgy V. Dmitriy, Prof. Dr.,
Far Eastern Federal University &
Kwangwoon University

Taekyun Kim - Prof. Dr.
Kwangwoon University.

Seog Hoon Rim - Prof. Dr.,
Kyungpook National University.

Yilmaz Simsek - Prof. Dr.

Velichko S. Andrey - Prof. Dr.,
Far Eastern Federal University.

Participation fee

To participate in this event, you must make an organizational contribution of 550\$ (USD).

Participation fee for conference participants includes: transportation services, meals (coffee break, lunch and dinner), handouts for each participant, accommodation on the FEFU campus (5 nights, July 16-21, 2019). More detailed information will be provided in additional letters.

Publication materials

The conference program will include plenary and section reports. Each participant will be provided with extended abstract booklet, which will be numbered in the ISBN during the conference. Abstracts for publication are accepted by e-mail: svyatukha.iv@dvfu.ru until May 31 with the link "ICJMS2019".

Following up the results of the conference, participants are invited to publish an article in the journal to choose from:

- SYMMETRY / (SYMMETRY-BASEL);

- publications by JANGJEON Mathematical Society: Advanced studies in contemporary mathematics (ASCM), Proceedings of the JANGJeon mathematical society (PJMS).

Language of the report

The official language of the Conference is English. No simultaneous translation services will be provided.

Russian visa support permits

To obtain permission for visa support, please contact to nauka@dvfu.ru. Please specify in the subject of the letter «ICJMS2019.VISA».
